19 Please add any comments about the school you feel it would be useful for them to know.

All staff are wonderful. They go above and beyond to provide the children with a safe, supportive and nurturing environment. The learning and activities are exciting and engaging. The school make a huge effort in all areas. Our child loves coming to school. Thank you from the bottom of our hearts.

As a parent I could not ask for a better school for my son to attend . The school always goes the extra mile for the children and makes every effort to make parents feel involved. Keep up the great work.

I absolutely love all of the staff at the school. Moving Indie has been the best choice we've made as parents. Thank you for all your hard work and commitment.

The school has a fantastic ethos and learning environment.
